

## **West Lancs and Merseyside**

# **Myeloma Support Group**

## **COVID-19 Risk Assessment for support group meetings**

### **- General:**

- We will comply with all current Government guidelines
- Please only attend if you feel comfortable in doing so and consistent with your own medical advice
- Please read and follow all the signage at the entrance and inside the hall.
- Sanitiser pump to be used when entering and exiting the hall
- Please avoid direct contact with other support group members
- If anyone has, or suspect they might have, COVID-19 they should not attend

### **- Our arrangements for the meeting :**

- The venue has been chosen to safely accommodate our support group with 2m social distancing spacing.
- The venue has secure COVID arrangements in place for other groups who use the hall.
- Subject to weather conditions, we will leave doors and windows open
- Please observe the 2m social distancing rule
- A record of attendees will be taken, if you feel unwell with COVID after the meeting please inform one of the organisers.
